

PureWaterCooler™

by VERTEX

3-Temp PureChill-901

Cleaner. Safer. Better.

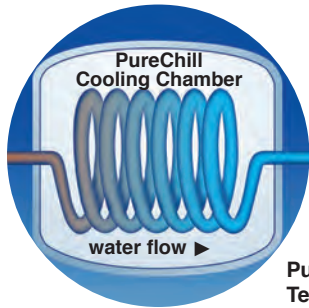

NEW

This new Vertex 3-temp cooler offers cold, hot and room water along with the new, more reliable capacitive touch dispensing.

The newest VERTEX **PureWaterCooler** Cold, Hot and Room temperature water dispenser uses **PureChill™** Technology to eliminate the need for an open reservoir to store water. The closed system keeps environmental contaminants out. The reliable capacitive touch control panel dispenses water safely to your cup.

PureChill-901

PureChill Cooling Technology

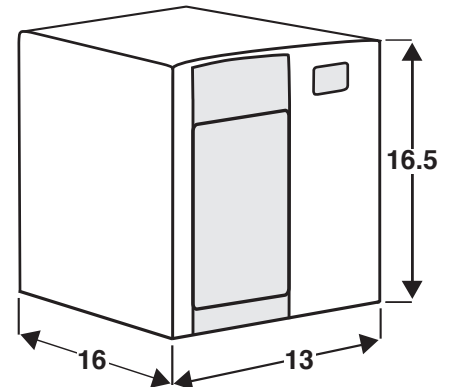

Integrated Filter Monitor
